

How to make a leaf jam jar lantern

You will need:

Jam jar
Coloured tissue paper
PVA glue
Scissors /pencil
Paint brush

For decoration:

Ribbon or string and any other decoration of your choice
Battery string lights or candle

1. Draw or download a leaf pattern (put 'printable leaf pattern' into your internet search for a good choice) and cut it out.

2. Use it to cut out leaves from the tissue paper

3. Decide where you want the first tissue leaf on the jar and 'paint' that part of the jar with PVA glue

4. Press the leaf to the glue and 'paint' over the top of it with the glue

5. Repeat until you have covered the whole jar

6. Leave it to dry and then decorate with ribbon or string and any other decoration of your choice
