

Our Guild – by Sheila Bow

I know a bunch of ladies
Who live not far from me.
We meet up at the library,
And call ourselves 'TG'.

We like to hear a speaker
Who'll show us slides as well.
We'll listen with attention,
We will not talk or yell.

Sometimes a craft is shown to us,
Then we will have a go.
We make a mess but have such fun -
We'll cut and stick and sew.

Another thing we like to try
Is trying to solve a quiz.
It's just for fun, no pressure here,
A puzzle's 'just the biz'.

But maybe best of all we like
To eat and drink you see,
Strawberries and cream, or party tea,
Will fill us all with glee.

So if you'd like to join us,
We'd welcome you to see
The fun we have on Tuesdays
At Earlsfield TG.
